- ※ It is determined by sales performance and present cost for the price changing and delete (discontinued) products.
- ※ The dove-tail slided swivel stages (except for SH03) are end of production to unify to more durable cross-roller type.
- ※ It ends of production for manual linear stages with micrometers (-S2 and -C2) to unify to the drive mechanism by the fine pitch positioner called "FPP-03-13."
- ※ The discontinued products (non-catalogue products) might be made as a custom-made product in a future so that their prices may be higher than before. Please ask us for the prices.  
The discontinued products would be on sale with old prices only for their stock.
